ACCESS CARD (CAC) CENTRAL ISSUEANCE FACILITY (CAC-CIF) USERS**

**SUBJECT: INTERIM AUTHORITY TO OPERATE (IATO) FOR CAC-CIF**

**REFERENCES:**

- (a) Department of Defense (DoD) Directive 5200.40 "DoD Information Technology Security Certification and Accreditation Process (DITSCAP)," 30 December 1997
- (b) Department of Defense Manual 8510.1-M, "DITSCAP Application Manual," 31 July 2000
- (c) CAC-CIF System Security Authorization Agreement (SSAA) dated July 2004

Having reviewed reference (c), I have determined that the operation of CAC-CIF is within the bounds of acceptable risk. Therefore I grant an IATO for a period of one-year from the date of this memorandum. In addition, a complete certification and accreditation in accordance with references (a) and (b) will be conducted on CAC-CIF prior to the expiration of this IATO.

It is the responsibility of the senior official in charge of the CAC-CIF system to ensure that any change in configuration, mode of operation, or other modification is analyzed to determine its impact on system security. All appropriate actions will be taken to maintain a level of security consistent with the requirements of CAC-CIF for this accreditation.

A copy of this accreditation letter with supporting documentation will be retained by the activity as a permanent record. Point of contact for this memorandum is Ms. Lynne Prince; 831-583-2400.
